NOW YOU WON'T GET TANGLED UP IN REGULATIONS.

INCLUDES 4 TAPES THAT HELP WIRING REGULATION COMPLIANCE

€149

Label with less hassle, less cost and more peace of mind with the PT-E550WSP bundle.

With four tapes included, you can enjoy all the big Brother benefits at a fraction of the price: Easy-to-use built-in labelling functions; the ability to design and print durable labels via a mobile app; tapes to help you comply with wiring regulations, not to mention a complimentary carry case.
It's all here, and all available at a price that's anything but regulation.

WIRING REGULATIONS

Brother tapes are designed to help you comply with wiring regulations, so whatever electrical installation you're labelling, you'll be in line with the identification requirements below. Plus, thanks to our Mobile Cable Label Tool app, you can also design and print your labels wirelessly from smartphones or tablets.

514.2
IDENTIFICATION OF WIRING FOR INSPECTION, TESTING, REPAIRS OR ALTERATION.

514.4
CLEAR IDENTIFICATION OF PROTECTIVE DEVICES.

514.1
IDENTIFICATION OF PURPOSE OF SWITCHGEAR AND CONTROLGEAR AND WARNING NOTICES WHERE APPROPRIATE.

514.3
IDENTIFICATION OF CONDUCTORS BY COLOURS, LETTERS OR NUMBERS WHERE NECESSARY (REF: IEC 60445).
